This is to certify that Ms. Shipra Jha student of RTMNU'S Dr. Babasaheb Ambedkar Govt. Law College, Nagpur University (2009-2015); has successfully completed her internship at Agnihotri & Jha Associates® from 19th July 2017 till 15th December 2017.

That during the said period she has worked on various legal assignments including but not limited to drafting of trademark, copyright and design applications, drafted replies to examination reports issued by trademark registry, drafting of oppositions and counter statements for trademark, conducting due diligence reports, drafted various legal notices and agreements and co-ordination with clients.

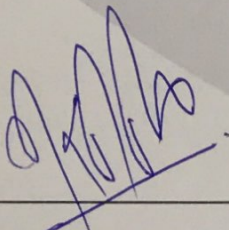

Apart from above she has meticulously conducted research on various legal topics.

Ms. Shipra is an insightful individual who has strong grasp on the legal matters. I was pleasantly surprised to find out that she grasped quickly most of the workings of the firm.

During the said period, we found her to be hard working and sincere towards her work, duties and responsibilities.
